

# MY FAVOURITE THINGS

*De Denne Competition 2019-20*  
*Junior Embroiderers & Textile Students*

The title this year for the De Denne Challenge is '**.....MY FAVOURITE THINGS**'. We had a wonderful response to '**LIFE'S RICH PATTERN**' and I am sure you will think up your own way of interpreting this year's theme. The title suggests a collection or group of things, but it could include things you enjoy doing and learning about. So is there something that you, your friends or a family member collects or does together? Here are some ideas to start you off:

- collection of dolls, sweets, buttons, badges, brooches or toy cars
- favourite TV shows or films
- favourite pop star or pop group
- favourite football team
- favourite sports or games (even lessons at school..or even your teachers)
- do you have a favourite way you create art?
- your favourite group of friends or family members
- favourite group of colours

**SHOW US IN FABRIC AND THREAD WHAT THAT IS!**
